ARTICLE 2 - DEFINITIONS

Section 1. ACT means the Iowa Public Employment Relations Act, as it may be amended from time to time.

Section 2. PERB is the Iowa Public Employment Relations Board.

Section 3. BARGAINING UNIT is the bargaining unit recognized by the Employer and defined in Article I, Recognition, Section 1 thereof.

Section 4. A REGULAR EMPLOYEE is an employee, other than a temporary employee or a part-time employee, who is regularly scheduled to work forty (40) hours or more per week, and who has completed the probationary period.

Section 5. PROBATIONARY PERIOD

a. POLICE OFFICER. With regard to a police officer if the employee has successfully completed training at the Iowa Law Enforcement Academy or another training facility certified by the Director of the Iowa Law Enforcement Academy before the initial appointment as a police officer, the probationary period shall be for a period of nine months and shall commence with the date of initial appointment as a police officer. If the employee has not successfully completed training at the Iowa Law Enforcement Academy or another training facility certified by the Director of the Iowa Law Enforcement Academy before initial appointment, the

probationary period shall commence with the date of initial employment as a police officer and shall continue for a period of nine months following the date of successful completion of training at the Iowa Law Enforcement Academy or another training facility certified by the Director of the Iowa Law Enforcement Academy. This probationary period for a police officer is in addition to any other probationary period the employee must serve in other classifications, even if the employee has completed a different probationary period for the Employer.

b. All Other Employees. A probationary employee is an employee who has not successfully completed six (6) months of continuous service.

Section 6. A PROMOTIONAL PROBATIONARY PERIOD is a period of six (6) months continuous service, which period shall be utilized for closely observing the promoted employee's work and for ensuring the effective adjustment of the promoted employee in the new position. A promoted employee whose performance during the probationary period is unsatisfactory to the Employer may be returned to the position previously held without loss of seniority. At least two (2) weeks prior to the expiration of the probationary period, the Employer shall make the final determination and shall give written notice thereof to the employee.

Section 7. Any probationary employee in either Section 5 or Section 6, who held a different position within the bargaining unit prior to that probationary period may be returned to the position previously held without loss of seniority if the

performance of the employees is not satisfactory to the Employer during the probationary period.

Section 10. CHIEF shall mean the Chief of Police of Nevada and the designee of the Chief.

Section 11. The word "employee" when used in this Agreement, except where the context clearly indicates otherwise, shall be limited to mean "regular" employee.

ARTICLE 3 - UNION RIGHTS AND RESPONSIBILITIES

Section 1. The Union recognizes its responsibilities as the sole and exclusive bargaining agent of the employees within the bargaining unit and realizes that in order to provide maximum opportunities for continuing employment and fair compensation, the Employer must be able to operate efficiently. The Union, therefore, agrees to cooperate in the attainment of these goals and agrees to the following, to-wit:

a. that it will cooperate with the Employer and support its efforts to assure a full and fair day's work on the part of its employees;

b. that it will actively combat absenteeism and any other practice which restricts efficient operations of the Employer; and

c. that it will earnestly strive to improve and strengthen good will between and among the City and its employees, the Union, and the public.

Section 2. The Employer will not interfere with the right of its employees to become members of the Union. The Union will not interfere with the right of the employees to refrain from Union membership. There shall be no discrimination by the Employer or the Union because of membership or non-membership in the Union. The Union agrees that neither it nor any of its officers or agents will engage in any Union activity which will interrupt or interfere with the operations of the Employer.

Section 3. For purposes of investigating a pending grievance, and for purposes of contract negotiations, a duly authorized representative of the Union shall have access to the Employer's premises with the prior consent of the supervisor. The Employer will cooperate to facilitate such visitations, and the Union and its authorized representative will not interfere with or interrupt the operations of the Employer or the work of the employees. A Union steward will be allowed a reasonable amount of time off with pay to handle a grievance and to negotiate the contract.

ARTICLE 4 - WORK STOPPAGE

Section 1. The Employer agrees that during the term of this Agreement, it will not engage in any lockout of its employees.

Section 2. The Union agrees that neither it nor its officers or agents will cause, authorize, induce, encourage, instigate, ratify, condone or participate in any work stoppage, strike, slowdown or illegal picketing, including a refusal to cross any picket line, or any other action which interrupts or interferes with the operations of the Employer.

Section 3. No employee shall cause, authorize, induce, encourage, instigate, ratify, condone or participate in any work stoppage, strike, slowdown or illegal picketing, including a refusal to cross any picket line, or any other action which interrupts or interferes with the operations of the Employer.

Section 4. In the event of a violation of Section 3 of this Article, or of Section 12 of the Act by an employee, the Union agrees that it will take immediate, affirmative steps with the employee involved, including but not limited to sending out letters, bulletins, telegrams and public announcements, and to calling employee meetings to bring about an immediate resumption of normal work.

Section 5. In the event of a violation of a section above, all legal censures of the Act shall apply.

ARTICLE 5 - DUES CHECK OFF

Section 1. The Employer will make biweekly deductions from the paycheck of each employee covered by the Agreement if the employee provides the Employer with a written authorization therefor. In the event there are three paychecks in a month, the dues will be withheld from the first two paychecks only. The deductions will be for monthly Union dues in the amounts certified in such authorizations or as the same may be modified by written notification from the Union. The Employer will remit such money together with a statement listing the employee name, address and the amount of money withheld from each employee, to the Treasurer of the Union not later than ten (10) work days after the money has been withheld.

Section 2. Any authorization may be revoked by an employee at any time upon thirty (30) days' written notice to the City and shall automatically be cancelled upon termination of employment.

Section 3. The Union agrees to indemnify and hold the Employer harmless against any claim of an employee or against any liability found against the Employer arising out of the operation of this Article. Nothing herein shall be construed as creating any obligation on the part of the Employer for the payment of any Union dues or deductions on behalf of the employee.

ARTICLE 6 - SENIORITY

Section 1. Seniority is defined as an employee's length of continuous service with the Employer from the employee's most recent date of hire and becomes applicable immediately following completion of the probationary period.

Section 2. The Employer shall post complete seniority lists of the employees covered by this Agreement on July 1. This list shall remain posted and the Employer shall give a copy of such seniority lists to the Union. At any time that seniority lists are revised during the term of this Agreement, a revised list shall be posted and a copy shall be given to the Union. Any protest as to the correctness of this list must be made in writing to the Employer. This current seniority list is set out in Appendix "C" of this Agreement.

Section 3. The seniority of an employee shall terminate if the employee quits for any reason, including retirement; is discharged, fails to report to work after notice of recall within the time limit set out in this Agreement; is laid off for a period exceeding twelve (12) months; is absent from work for two (2) consecutive workdays without notice to and approval by the Employer, unless evidence satisfactorily to the Employer clearly provides that the employee was physically unable to give notice to the Employer; fails to report to work on the next scheduled workday following completion of a leave of absence; engages in other work for pay while on unpaid leave of absence without the

written approval of the Employer; or gives a false reason for obtaining leave of absence.

Section 4. Any vacancy on a police department shift which is to be filled shall be posted for a period of five (5) working days. If a vacancy occurs on a shift any police officer may request to fill the vacancy and seniority will be the determining factor, but in extenuating or emergency situations, the Police Chief will have the final authority to fill the vacancy on a temporary basis.

Section 5. Any vacancy which is to be filled in other than the police department shall be posted for a period of five working days. Included with this notice shall be a copy of the job description with the minimum qualifications needed to fill the job. When more than one current employee meets the qualifications for the job the most senior employee shall be granted the position on a probationary basis. No position shall be filled by a new hire unless there is no qualified applicant among the current employees.

Section 6. If a vacancy occurs in the police department, it is understood that the department has the discretion to try and hire an officer who is certified by the Iowa Law Enforcement Academy. If the department does not fill the vacancy with a certified officer, any current employee who meets the same minimum qualifications for taking the tests as an outside applicant shall be allowed to take the tests. Based on the results of the tests the Police Chief retains the discretion to hire the person whom the Chief believes is the best candidate for the position.

ARTICLE 7 - PROCEDURE FOR STAFF REDUCTION

Section 1. In the event that the Employer determines that an employee is to be laid off, the Employer agrees to notify the Union as far in advance as possible so that the parties may discuss alternatives.

Section 2. In the event the Employer determines that an employee must be laid off, the Employer shall consider qualifications and seniority, and if qualifications are equal between or among affected employees, seniority shall govern. A temporary, part-time or probationary employee performing duties within the department from which the employee has been or is to be laid off, is to be laid off first, in that order. No temporary, part-time or probationary employee shall have any right of recall.

Section 3. The Employer agrees, insofar as is possible, to give at least fourteen (14) calendar days' notice to an employee who is to be laid off except where the staff reduction is caused by events beyond the control of the Employer.

Section 4. An employee will be returned to work in the reverse order in which that employee was laid off. No new employee will be hired for a job until an employee laid off has failed to comply with a notice of recall, or unless the period of lay off has exceeded twelve (12) months.

Section 5. An employee who is laid off shall keep the Employer advised of the employee's current mailing address.

Notice of recall shall be sent by certified mail, return receipt requested to the employee's latest advised address.

Section 6. An employee shall report to work within fourteen (14) calendar days after notice of recall is mailed unless the notice of recall provides for a specific later effective date of recall, in which case the employee shall report on said later effective date.

ARTICLE 8 - JOB CLASSIFICATION AND ASSIGNMENT

Section 1. Job classifications shall be by job descriptions as set out in Appendix "D" of this agreement.

Section 2. If an employee is requested by a supervisor to work in a higher rated job classification for a period exceeding ninety-six (96) hours within the contract year, the employee shall receive the lowest rate of pay of the higher rated job classification the employee is requested to work in that is more than the employee's current hourly rate of pay effective on the ninety-seventh (97th) hour that the employee so works, and shall be returned to the regular rate of pay upon completion of the temporary assignment.

ARTICLE 9 - HOURS OF WORK

Section 1. The following hours as posted shall set forth the normal workday, workweek and work schedule but shall not be

construed as a guarantee of hours of work per day, per week or per schedule, or days of work per week or per schedule.

A. The normal work schedule for a police officer shall commence on a date set by the Employer and shall consist of six (6) days on duty followed by two (2) days off duty, six (6) days on duty followed by two (2) days off duty, and six (6) days on duty followed by three (3) days off duty. This cycle of twenty-five (25) days will then be repeated. The workday shall consist of eight (8) hours during which the police officer will be given a one-half (1/2) hour paid lunch break, if possible. Shifts shall be as follows:

1. 7:00 a.m. to 3:00 p.m.
2. 3:00 p.m. to 11:00 p.m.
3. 11:00 p.m. to 7:00 a.m.

5. 9:00 a.m. to 5:00 p.m.
6. 11:00 a.m. to 7:00 p.m.

It is understood that not every shift is used each day. The Police Chief shall post a schedule for each month at least one (1) month prior to the beginning of that schedule, and each officer will have the opportunity to notify the Chief of any problems, conflicts or extenuating circumstances, and the Chief will attempt to work out the problem with that officer.

B. The normal work schedule for an employee of the Water Department shall be Monday through Friday from 7:30 a.m. to 4:00 p.m. The employee shall be given a one-half hour unpaid lunch period.

C. The normal work schedule for an employee of the Waste Water Treatment Department shall be Monday through Friday from 7:30 a.m. to 4:00 p.m. The employee shall be given a one-half hour unpaid lunch period.

D. The normal work schedule for an employee of the Street Department shall be Monday through Friday from 7:30 a.m. to 4:00 p.m. The employee shall be given a one-half hour unpaid lunch period.

E. The normal work schedule for an employee of the cemetery shall be Monday through Friday from 7:30 a.m. to 4:00 p.m. with a one-half (1/2) hour unpaid lunch period.

F. The normal work schedule for an employee of the Parks and Recreation Department shall be Monday through Friday from 7:30 a.m. to 4:00 p.m. The employee shall be given a one-half hour unpaid lunch period.

G. The normal work schedule for an employee of Gates Hall shall be established by scheduling needs, determined by employer.

Section 2. It is understood and agreed that the work schedules for all employees may be changed by the Employer from time to time to meet the Employer's requirements. It is also understood and agreed that the Employer shall have the right to reduce, extend or maintain the hours of work for any employee and the employee shall be required to work at times as scheduled by the Employer. The Employer shall give the Union as much advance notice as possible of any major change in work schedules.

Section 3. To the extent reasonably possible, each employee shall receive a fifteen (15) minute break during the

first half of the work day and a fifteen (15) minute break during the second half of the work day. To the extent reasonably possible, a lunch period will be used during the middle of the employee's work day. An employee may not forego a lunch period in order to leave work before the end of the normal work day.

Section 4. The 25 day work cycle for police officers shall be based on the work schedule then in effect and shall begin at the time of the first shift change on the first day of the work cycle and shall end at the time of the shift change on the first day of the next work cycle. A work week for all other employees shall commence at 12:00 P.M. on Sunday and shall end at 12:00 P.M. on the following Sunday.

ARTICLE 10 - OVERTIME

A. Overtime

Section 1. For a police officer, overtime shall be defined as any time properly authorized or approved by the Employer in excess of the police officer's normal work cycle as shown under Article 9. Report time shall not be considered as hours worked for determining overtime under this Agreement. An employee shall be required to work such overtime as the Employer requires.

Section 2. For employees other than police officers, overtime shall be defined as any time properly authorized or approved by the Employer in excess of the employee's normal forty

(40) hour work week. An employee shall be required to work such overtime as the Employer requires.

Section 3. No employee shall be paid or otherwise compensated more than once for work performed, nor shall pay, compensation or benefits be pyramided.

Section 4. Overtime shall not be used to punish or reward employees.

Section 5. In determining whether an employee is entitled to overtime, only hours actually worked shall be counted.

All paid time off is counted as hours actually worked except for compensatory time off.

Section 6. Overtime shall be paid at one and one-half (1 1/2) times the employee's regular hourly rate of pay, as set out in Appendix A.

B. Call-Back Time

Section 1. An employee who is called back to work by the Employer shall receive a minimum of two(2) hours pay. The minimum number of hours does not apply when an employee is called back to work within two (2) hours of the employee's regular starting time, or is required to stay over for less than two (2) hours beyond the employee's regular quitting time.

C. Court Time

Section 1. An employee required to appear for Court during off duty hours shall be paid for actual time spent, with a minimum of two (2) hours pay, unless the Court appearance and the beginning or end of an employee's scheduled workday shifts overlap. In that event, the employee is paid for actual time

spent. The employee shall turn over to the Employer witness fees collected by the employee when received.

Section 2. Court time must be authorized or approved by the Department Head and is only payable when the employee is required to attend by the Employer.

D. Compensatory Time

Section 1. An employee may choose compensatory time off in lieu of payment for overtime under the following conditions.

Section 2. An employee desiring compensatory time off rather than payment shall so notify the Employer prior to the cutoff period for computing wages for the period in which the payment would ordinarily have been made.

Section 3. The Employer shall keep a record of the compensatory time which an employee has earned or used and the employee may request to see such record at any reasonable time.

Section 4. Compensatory time will be accrued in an amount directly comparable to the amount which the employee would have been paid. If an employee is entitled to an hour of pay at the regular straight time rate but chooses compensatory time, the employee will be credited with one (1) hour of such time. If an employee is entitled to an hour of pay at the overtime rate, but chooses compensatory time, the employee will be credited with one and one-half (1-1/2) hours of such time.

Section 5. Compensatory time off will be granted at the time selected by the employee, so long as it does not conflict with the operation of the Employer.

Section 6. An employee may accrue a maximum of eighty (80) hours of compensatory time off during the period of July 1 through December 31 of the contract year, and a maximum of eighty (80) hours of compensatory time off during the period January 1 through June 30 of the contract year. Any compensatory time off accumulated prior to December 1 of the contract year shall be paid on the second paycheck in December provided that the employee may elect to carry over not to exceed forty (40) hours of compensatory time. Any compensatory time off accumulated prior to June 1 of the contract year shall be paid on the second paycheck in June provided that the employee may elect to carry over not to exceed sixty (60) hours of compensatory time. Any compensatory time which the employee elects to have carried over to the next six month period will count toward the maximum which may be accrued during that six month period. It is the policy of the Employer to require the compensatory time off be used as soon as is reasonably possible after it has accrued.

- | | | |

a. For non-shift employees, if a holiday falls on Saturday, the preceding Friday shall be observed as the holiday and if a holiday falls on Sunday, the following Monday shall be observed as the holiday.

b. For shift employees, the actual holiday shall be observed as the holiday. For purposes of this Article, a holiday shall commence with the first scheduled shift for the day on which the holiday is to be observed and shall continue until the same time the next day. At the present time, the scheduled shift would begin at 11:00 P.M. on the day before the holiday.

Section 3. In order to be eligible for receiving holiday pay, an employee unless excused, must report for work on the last scheduled workday before the holiday and on the first scheduled workday after the holiday. An employee who is on lay-off, or who is discharged, or who is under suspension is not eligible for holiday pay.

If a police officer is scheduled to work a holiday, and works it, the police officer shall be compensated at the rate of one and one-half (1-1/2) times the police officer's regular rate of pay and shall receive a day off on a regularly scheduled day of work. If a police officer is not scheduled to work a holiday and does not work it, the police officer shall receive the regular amount of pay and shall receive a day off on a regularly scheduled day of work.

Section 5. If an employee is not scheduled to work a holiday but is called to work the employee shall be compensated at the rate of one and one-half (1 1/2) times the hours worked on the holiday.

Section 2. No vacation will be used during the first year of employment until the employee has completed the entire year of service. Thereafter, vacation will be accrued on a bi-

weekly basis for twenty-six (26) pay periods, but cannot be used until the employee has worked the entire anniversary year.

Section 3. The purpose of a vacation is to enable the employee to enjoy periodic rest from the employee's regular job so that the employee may return to work refreshed. Accordingly:

a. A vacation earned must be taken by the employee prior to the employee's next anniversary date. Up to forty (40) hours of vacation may be carried over to the next anniversary year with the written approval of the City Administrator.

b. Upon termination of employment for whatever reason, an employee, or the employee's estate, shall receive a lump sum payment for any vacation accrued or earned and not previously taken, at the employee's last regular rate of pay, provided that the employee has completed one (1) year of service.

c. No employee shall be entitled to vacation pay in lieu of vacation.

Section 4. So far as possible, each vacation will be granted at the time selected by the employee so long as it does not conflict with the operation of the Employer, provided that the final right to allot vacation periods is reserved exclusively to the City Administrator.

a. An employee's request for vacation time off shall be controlled by seniority within each department provided that the selection is made by January 1 for the next twelve (12) calendar months scheduling. The seniority selection shall commence by November 1 for the following calendar year. Seniority selection

shall only apply to one (1) choice totaling no more than ten (10) consecutive work days of vacation.

b. After January 1, vacation time off will be granted on a first come, first served basis. If two requests are turned in at the same time, the most senior employee will be given the time off.

Section 5. Vacation can be taken in increments of one (1) hour, or more. No more than one (1) employee, including a supervisory employee, in a department, may take vacation time off at the same time, without the consent of the City Administrator; provided that no more than two (2) employees in the street department, including a supervisory employee, may take vacation time off at the same time, without the consent of the City Administrator.

Section 6. The employee shall request vacation leave from the Department Head at least three (3) days in advance unless such notification period is waived or shortened by the City Administrator.

Section 8.

a. If an employee becomes hospitalized during vacation, the time the employee spends as a bed patient in the hospital is not considered part of vacation if the employee has unused sick leave available. The employee must provide the Employer a copy of

the hospital record showing the employee's status as inpatient in order to ensure that the vacation record is changed.

b. If an employee becomes ill while on vacation but is not hospitalized, or for any period of recuperation immediately following hospitalization while on vacation, the employee may, upon request and upon approval from the City Administrator change the time off for illness from vacation to sick leave if the employee has sick leave available.

Section 9. Employee includes probationary employees.

ARTICLE 13 - LEAVES OF ABSENCE

A. Sick Leave

Section 1. Sick leave may be used for personal illness and injury subject to the provisions set out hereinafter. Sick leave will not be allowed if an employee is injured while gainfully employed by a different employer who should be covered by Worker's Compensation. Sick leave will accrue but may not be used until an employee has successfully completed ninety (90) days of employment.

Section 2.

a. An employee shall accrue eight (8) hours of sick leave per month to a maximum accumulation of 1600 hours.

b. An employee may use up to twenty-four (24) hours of sick leave per contract year for the purpose of attending to the serious illness of an immediate family member; neither the hours used nor the number of occurrences taken pursuant to this

subsection will be subject to the provisions of Section 3 which follows.

Section 3. The City Administrator shall receive a doctor's certificate from any employee who has both: (a) three or more occurrences (of sick leave) during a contract year, and also, (b) used 40 or more hours of sick leave in a contract year. An employee shall also provide the aforementioned doctor's certificate for each additional absence due to illness or injury during the remainder of the contract year. If an employee is absent for three or more continuous days, the employee may be required to provide the doctor's certification. A medical appointment to review a condition which resulted in a employee's being charged with a sick leave occurrence shall not constitute an additional occurrence.

Section 4. To be eligible for sick leave payment, an employee shall notify the Employer as soon as possible, but in any event, not later than one-half hour prior to the starting time of the employee's workday, unless the employee is unable to notify the Employer because of an emergency.

Section 5. No employee is entitled to compensation for unused sick leave time and termination of service shall terminate any and all obligation of the Employer in connection with the unused sick leave time, except that an employee who retires and applies for retirement benefits under the provision of IPERS or a similar retirement program approved by the Employer may have up to a maximum of \$1,500.00 paid to the employee. Upon death of an employee, up to a maximum of \$1,500.00 will be paid to the estate

of the employee. In either case, the payment due will be calculated by multiplying the employee's current rate of pay times the number of hours of accrued sick leave. That amount will be paid provided it does not exceed \$1,500.00.

Section 6. Sick leave shall be taken in increments of at least one (1) hour at a time. An employee on sick leave shall receive the employee's regular rate of pay as set out in the Appendix.

Section 7. An employee may elect in writing to use available sick leave in any period during which an employee is receiving worker compensation benefits for an on-the-job injury incurred while working for the Employer. The Employer shall pay to such employee the amount by which such weekly worker compensation is exceeded by the amount which the employee would have received as regular gross wages for the same period. The gross excess amount paid to the employee will be divided by the employee's regular hourly rate of pay and that many hours of sick leave will be deducted. No overtime or other pay will be used in determining the employee's regular gross wages. Normal withholding will be withheld from the gross amount paid by the Employer. Neither the hours used nor the number of occurrences taken pursuant to this subsection will be subject to the provisions of Section 3 above.

Section 8.

a. If sick leave is caused under circumstances creating a legal liability for damages against a third party, and if the employee or the employee's legal representative files a claim for

any type of damages, or maintains an action for any type of damages, against a third party, the employee or employee's legal representative shall deliver a copy of the original notice or claim to the Employer within ten (10) days after the claim is made or the action is filed.

b. If the employee's claim for damages includes lost wages covered by sick leave, the Employer shall be indemnified out of the recovery of damages to the extent of sick leave benefits paid to the employee by the Employer, except that the employee's attorney fees and out-of-pocket expenses shall first be deducted from the recovery.

c. If an employee fails to make a claim or bring an action for damages against a third party within thirty (30) days after the Employer's written request to the employee to do so, the Employer is subrogated to the rights of the employee and the Employer may make a claim or file an action against the third party and may recover damages to the same extent that the member may recover damages for the injury. The employee shall execute a subrogation agreement if requested by the Employer.

d. If the Employer should obtain a greater recovery than the amount necessary to reimburse the Employer for the payment of the sick leave payments, the Employer shall pay the remaining sum of money to the employee after deducting the employee's attorney fees and out-of-pocket expenses in connection with the enforcement of the claim.

e. Before a settlement is effective between the Employer and a third party who is liable for an injury, the employee must

consent in writing to the settlement; and if the settlement is between the employee and a third party, the Employer must consent in writing to the settlement.

f. For purposes of this section, any payment made to an injured employee or to the employee's legal representative, by or on behalf of a third party, or the third party's principal or agent, who is liable for, connected with, or involved in causing the injury to the employee, shall be considered paid as damages because the injury was caused under circumstances creating a legal liability against the third party, whether the payment is made under a covenant not to sue, a compromise settlement, a denial of liability or otherwise.

g. In the event that the Employer recovers money under this section, the total amount of money recovered by the Employer will be divided by the employee's regular hourly rate of pay at the time the sick leave was utilized to determine the sick leave recovery of the Employer, and the Employer will then add that many hours of sick leave to the employee's sick leave accumulation.

Section 8. Employee includes probationary employees.

The employee will be given a copy of the authorization. Upon termination of such leave of absence, the employee shall return to work in the same step or capacity as when the employee left.

Section 2. In the event an employee fails to return to work at the end of any leave of absence without pay, the employee shall be deemed to have voluntarily resigned on the last day of such leave, unless such failure to return to work is excused by the Employer.

Section 3. In the event an employee becomes gainfully employed without the Employer's written consent, while on leave of absence, the employee shall be considered to have voluntarily resigned.

Section 4. During a leave of absence without pay, the employee:

Section 1. A grievance is defined as a dispute between the Employer and the Union or any employee with regard to the interpretation, application or violation of any of the express terms and provisions of this Agreement.

Section 2. An employee who has a grievance may raise the issue informally with the employee's Department Head. If the issue is not settled the employee shall proceed as follows:

Step I. An employee who has a grievance shall notify the employee's Department Head in writing within ten (10) calendar days after the occurrence of the event giving rise to the

grievance. The Department Head shall investigate the grievance and shall respond in writing to the employee within a period of seven (7) calendar days. The failure of the Department Head to respond in writing within said seven (7) calendar days shall be deemed a denial of the grievance and may be appealed to the next step.

Step II. If the grievance is not settled in Step I, the employee may present the grievance in writing to the City Administrator within seven (7) calendar days after the response of the Department Head was due. The grievance shall be signed by the employee and shall state specifically the facts of the alleged violation and the provisions of the Agreement that are in dispute, together with a statement from the employee specifying what relief or remedy is desired. The City Administrator shall investigate the grievance and issue a decision in writing within a period of seven (7) calendar days. The failure of the City Administrator to issue a decision within said seven (7) calendar days shall be deemed a denial of the grievance and may be appealed to the next step.

Step III. If the grievance is not settled in Step II, the Union may appeal to arbitration. The Union shall within fourteen (14) calendar days from the date that the City Administrator's answer was due, request arbitration by written notice submitted to the City Administrator, and signed by the Union. When a timely request has been made for arbitration, a representative of the Employer and the Union shall attempt to select a mutually agreeable arbitrator to hear and determine the grievance. If the representatives of the parties are unable to agree upon the

selection of an arbitrator within seven (7) calendar days of the Employer's receipt of the arbitration notice, the Union may request the Public Employment Relations Board to submit a list of five (5) grievance arbitrators. Upon receipt of the list, the parties' designated representatives shall determine by lot the order of elimination and thereafter each shall, in that order, alternately strike a name from the list and the fifth and remaining person shall act as the arbitrator.

Section 3. The Union may also process the grievance on its own following the same time table of this article. Whenever an individual employee has a grievance as set out above, the employee is entitled to be represented by the Union if the employee so chooses, at any Step of the proceedings and must be represented by the Union in Step III.

Section 4. The failure of an employee, or the Union, to appeal a grievance to the next step within the applicable times specified above, shall bar an employee and the Union from appealing the grievance further, and any such grievance shall be considered as abandoned and finally settled.

Section 5. The failure by the Employer to reply within the applicable times as specified above, shall be deemed a denial of the grievance which may then be appealed by the employee or the Union to the next step.

Section 6. Time limits referred to above may be waived or extended at any time by mutual agreement between the Employer and the aggrieved employee and the Union, in writing.

Section 7. An arbitrator selected pursuant to the above provisions shall schedule a hearing on the grievance and, after hearing such evidence as the parties desire to present, shall render a written opinion and award within thirty (30) calendar days, unless an extension of time is granted by the parties. The arbitrator shall have no authority to add to, subtract from, modify or amend any terms of this Agreement. The arbitrator shall have no authority to substitute the arbitrator's discretion for that of the Employer in any matter reserved to the Employer by law or the terms of this Agreement. A decision of the arbitrator within the scope of the arbitrator's authority shall be final and binding upon the Employer, the employee, and the Union. Any decision rendered shall not be retroactive, beyond the date on which the alleged grievance occurred.

Section 8. The Employer and the Union shall share equally any joint cost of the arbitration procedure, such as the fees and expenses of the arbitrator, the court reporter, if one is desired by the arbitrator, and the cost of a hearing room and transcript. Any other expenses will be paid by the party incurring them.

Addendum
July 1, 2007

1. Each employee on the wage schedule shall progress on the wage schedule based on the employees anniversary date of employment or anniversary date of promotion, which ever is applicable.
2. If an employee is moved to a higher salary classification during the year, the employee will be placed on the step within the new classification which will provide the employee with at least a .10 cent hourly increase in wages.
3. If an employee is moved to a lower salary classification during the year, the employee will be placed on the step within the new classification which will result in at least a .10 cent hourly decrease in wages for the employee.
4. Police officer hourly rate is paid for 2080 even though an officer works more hours. If we were absolutely clear we would multiply the hourly rate in my proposed scale by 2080 and then divide by 2102 to get actual hourly rate.
5. An employee who accepts a written assignment by the City Administrator to serve in a temporary supervisory capacity shall be paid the amount of \$1.00 an hour above the employee's wages as set out above for all hours actually worked in the supervisory capacity.
6. The Employer may hire a police officer who has obtained and is holding ILEA certification at any Step up to and including the After 2 Years Step, provided that such an employee's seniority will be based on date of hire.
7. An Equipment Operator II who completes three years in the Base - 5 Year Step after July 1, 2006, shall move to the Equipment Operator III classification in accordance with Paragraph 3 of this Addendum if the employee can safely operate all of the equipment required to be operated by an Equipment Operator II and an Equipment Operator III. An Equipment Operator II currently in the Base - 5 Year Step who meets the above qualification may be transferred to an Equipment Operator III by the City Administrator at any time during the term of this contract based on the employee's safe operation of the equipment.
